Skilled craft specialists are rare. Deploy your employees where their expertise is needed and **leave routine tasks to their digital colleagues.**

You plan

professionally and flexibly yourself

- 1 Choose from a variety of freely configurable furniture body units
- 2 Define dimensions Make additional settings (plinth construction, panels, etc.)
- 3 Define cabinet elements (quantity, dimensions, vertical - horizontal division)
- 4 Define the interior fittings (drawers, shelves, wardrobe rails)
- 5 Configure fronts (doors, flaps)
- 6 Select decors and handles
- 7 Create a quote and forward to customers

Automate procedures:
Request production data for internal production or send an order enquiry to your distributor.

From dream to room

with the EGGER Furniture Planner

The online Furniture Planner from EGGER

The digitalisation service for carpenters
